

WE LOVE RESTORING DENTAL IMPLANTS!

- ▶ NDX offers a wide variety of crowns to fit your patients' aesthetic needs.
- ▶ Take advantage of your lab's implant bundle promotions. Ask about the best way you can save on your next implant case.

- ▶ Our technicians have the expertise and experience restoring cases from all of the major implant manufacturers.
- ▶ We are committed to quality control and customer service. We know you have questions, so we are focused on being responsive and building strong relationships with our customers.
- ▶ Interested in guided surgery? We have options! Ask about our [Surgical Guides](#) or our [nSequence[®] Full Arch Guided Prosthetics[®] Workflow](#).
