# 3M™ True Definition Scanner

Doctors with a 3M™ True Definition scanner can send digital impressions directly to NDX Florida through 3M Connection Center.

To send a file:

1) Log in to your 3M Connection Center Account that was created when your scanner was installed. If assistance is needed, contact 3M Digital Impression Customer Service at 877.722.6528.

2) Verify that NDX Florida and NDX Florida (No Model), are available under the Scanner Laboratory menu.
   - If not, contact 3M Digital Impression Customer Service (877.722.6528) and request adding the profiles to the scanner menu.

3) Select the NDX Florida profile from the drop down menu that matches your case preference:
   - NDX Florida (choose this option when requesting models)
   - NDX Florida (No Model)* (choose this option when requesting model-less restorations)

4) Complete the intraoral scan and select the NDX Florida profile that meets your model preference.

5) Complete the True Definition online Rx.

6) Upload the scan data to the 3M Communication Center.

* Dentist may request a model-less monolithic restoration only by selecting the NDX Florida (No-Model) profile that has been previously added to the scanner menu (see step 2 above).
