## **WARRANTY**

For a period of five years from the date of the invoice on all fixed restorations, we guarantee your complete satisfaction with the workmanship and materials of the restoration you purchased. Removable appliances have a two-year warranty and nightguards have a one-year warranty and are subject to review due to the many possible existing circumstances involved. Headache Therapy & Sleep Apnea Appliances have a one-year warranty (from date of purchase). This warranty is in lieu of all other warranties, whether expressed, implied or written by any agent, broker, distributor, employee or representative of NDX Albensi. Incidents where there is failure of supportive tooth or tissue structures, improper adjustments, improper dental hygiene, abuse or accidents make this guarantee null and void.

If, for any reason, the restoration is not acceptable at the time of receipt or at the time of insertion, we shall adjust, repair or replace the appliance at no charge. Simply return the prosthesis with the original model work and an explanation of the problem with your request for adjustment, repair, replacement or refund. If a doctor requests a remake of a case with a change in the design, restoration type, or shade from the original RX, it will be subject to charge. Requests for shade changes for partial and dentures are subject to an additional charge for teeth. When choosing the Transitional Denture Package, we will not fabricate the FINAL denture until SIX full months after the Transitional Denture has been made.

CONDITIONS – Prosthesis/appliance must be inserted by a licensed practicing dentist or prosthodontist within one month of fabrication. Patient must adhere to semi-annual cleanings and exams.
