

Discover an Optimal Fit with NDX H&O Removables

At NDX H&O, we offer affordable and top-quality removable solutions, including:

DuraFlex® Flexible Partial

These metal-free partials are made from a flexible thermoplastic, offering strong durability.

Full Dentures

We provide competitive pricing and a range of options to cater to each patient's requirements.

NDX Digital Dentures

Our workflow allows for a simple way to complete dentures in three visits for the fabrication of a Copy, Reference or Immediate Denture.

I strive to assist our doctors in creating the best solution for their individual patient's needs. We understand each case is different and are here to help you choose the best restoration and deliver a quality product every time."
