

An Exceptional Lab Partner

Established in 1987, NDX Paramount is a leading provider of high-quality dental restorations. Our commitment to strengthening relationships with clinicians sets us apart. We take a personalized approach to ensure that we not only meet but exceed the unique needs of each clinician.

Choose NDX Paramount as your trusted partner for all your restorative needs and experience the exceptional quality and service that you can rely on.

“

I wanted to take a moment to share my positive experience working with NDX Paramount over the past three years at Elica. Their team has been exceptionally supportive and responsive to our needs. Whenever we reach out with a request, they consistently strive to be helpful and accessible.

Their dedication to excellent service has not gone unnoticed, and I greatly appreciate their continued support.
